TRANSPORTATION

At Kinjal Logitrans India Pvt. Ltd., transportation is a key part of our logistics service, whether it's delivering a single container shipment or managing road transportation for sensitive drilling equipment and vehicles from port to remote destinations in India.

We have a fleet of dedicated vehicles to handle delivery anywhere in the country while our global network of trusted partners means we can manage goods distribution or onward transport for large, heavy or complex project shipments, whatever the destination.

Whatever your project requires, you can rely on our vast experience as road freight forwarders to ensure that your shipment is delivered to the end user in perfect condition as cost effectively as possible.

When you work with us as your road freight forwarders, you get a dedicated account manager responsible for monitoring and tracking your items at every stage of its journey. We can also be involved at the ground level, where our technical knowledge and wealth of experience mean we frequently create imaginative, budget-sensitive solutions to difficult or urgent road freight forwarding projects that other logistics companies just wouldn't think of.

From full and part load trailer movements or over road carriage through to supply chain solutions and project shipments, we had the capacity and experience to handle any road freight forwarding challenge.

This extensive range of services include:

- Part/Full Loads
- Over Sized Cargo
- Temperature Controlled Cargo
- Hazardous Goods
- Inland Transportation
- Complete Local Transportation
- Door-to-door distribution
- Multimode Transportation
- Express Service
- Powerful Performance

CUSTOMS CLEARANCE

At Kinjal Logitrans India Pvt. Ltd. is one of the leading Customs Clearing Agents, ensuring smooth and easy customs clearance for all our customers, so that they receive their goods on time. Our Customs Brokers help ease Import and Export regulations and paperwork in record time for all of your shipments. Handling all the trade compliance and procedures, we help clear consignments by sea, land and air more efficiently.

Over the years, we have cleared all types of shipments, both major and minor, for a variety of goods from across the world with utmost precision. Being leading customs clearing agents our expert team do a proper study of all local rules and regulations so that they can help you overcome even the most complex matters of trade compliance. We identify the demands, challenges and hurdles for your business and help you arrange your paper work accordingly so that day-to-day formalities are met and business flows smoothly.

Our in-depth knowledge and understanding of this sector has helped us offer customized solutions to all of our clients so that they can reduce lead time, optimize cash flow and minimize customs duties. With the required documents, our team of dedicated professionals ensure end-to-end solutions for both Import Customs Clearance and Export Customs Clearance in the most cost effective manner.

This extensive range of services include:

- Part/Full Loads
- Over Sized Cargo
- Temperature Controlled Cargo
- Hazardous Goods
- Inland Transportation
- Complete Local Transportation
- Door-to-door distribution
- Multimode Transportation
- Express Service
- Powerful Performance

CUSTOM HOUSE AGENT

The intricacies of a global supply chain are compounded by the need for fast customs clearance and security compliance. That's why it's more important than ever to partner with a company that has the international reach, the experience, and the communications network necessary to expedite clearance.

At Kinjal Logitrans India Pvt. Ltd., we understand these challenges and deliver customized solutions that ensure your transactions are timely, compliant and confidential. And by combining our Air Freight Forwarding, Origin Cargo Management, Ocean Freight Forwarding or even Cross-Border Transportation into with our Customs House Brokerage service, we will be able to build the best possible solution tailored to your needs.

While different companies specialize in different areas of customs brokerage, our professionals' hands on expertise spans the whole breadth of importing and exporting. Your one stop shop for a stress-free import/export program.

We handle import, export, in transit, temporary and specialized "draw back" (maquila) cargo clearances. The Custom House Brokerage involves the preparation of documents and/or electronic submissions, the calculation on behalf of the client of taxes, duties and excises, and facilitating communication between the importer/exporter and governmental authorities.
